I like to work in a challenging and progressive environment that inspires creative thinking and where my management skills, which include communication, maintaining & monitoring team, are utilized to impress and contribute to the organization.

## EXPERIENCE

### 1 Year+ Experience

**@Cojective Digital Payments and Trading Services Pvt. Ltd,**  
**Delhi — Laravel PHP Web Developer**

Apr 2023 - PRESENT

As a Laravel PHP Web Developer, I am responsible for creating and implementing an array of Web-based products using Laravel, PHP, MySQL, API Integrations, Ajax, and JavaScript, JQuery. I develop back-end components, connect the application with other web services, and assist front-end developers by ensuring their work integrates with the application.
